Summary of Studio Policies

Note that Tuition and Costume Fees are non-refundable.

How to make payments

You may elect to use the fee structure most comfortable for you. Payments should be placed in the payment box or mailed to the studio by the posted due dates. You will not receive regular billing statements to remind you of your payments; however, notices will be posted in the studio and on the door reminding you of payment due dates. All payments are made in equal installments regardless of the number of lessons in the month or during the calendar year. ***Please make sure your child's full name and class are on the lower left corner of your check.***

Your cancelled check or bank statement is your receipt. The fee for returned checks is \$30. Cash payments should be made in the exact amount and given directly to the instructor or office manager; DO NOT leave cash without receiving a receipt. Magical Movement accepts VISA, MasterCard, Discover, and American Express credit/debit cards.

There is a \$20 per family registration fee; however, this fee will be waived if you are returning for the following year and register no later than May 23, 2010.

Should you find that you are unable to continue lessons, a two week notice is appreciated and expected whenever possible. You will be considered enrolled and responsible for payments up until Magical Movement receives notice that your child is dropping classes. Refunds are not given for any remaining classes with the exception of injury or a long-distance family move. Full year registration (through the end-of-year recital) is assumed without prior written arrangements.

Recital fees, which include costumes, are due the week prior to Thanksgiving. This fee covers costumes, props and other necessary items for your child's year-end performance. Recital fees are *approximately* \$75 per class per student. (Fees are subject to adjustment after reviewing recital venues, costume catalogs, etc.) Recital fees are non-refundable.

Insurance

Magical Movement does not hold medical insurance on your child. It is strongly recommended that you carry health and medical insurance on your child. In the case of an accident or injury, your insurance will be the only source to cover medical expenses.
